

Supplement Facts

Serving Size: 1 scoop (approx. 4.8 g)

Servings Per Container: 60

	Amount Per Serving	% Daily Value
Magnesium (as magnesium citrate malate)	120 mg	29%
Potassium (as potassium citrate)	1,200 mg	26%

Other ingredients: Silica.

This product is gluten, dairy and GMO free.

Product may settle, shake well before use.

Scoop included.

RECOMMENDATION: Mix one (1) scoop of **Potassium-HP®** with six (6) ounces of water each day as a dietary supplement or as otherwise directed by a healthcare professional.

WARNING: Ask a doctor before use if you have kidney disease or a potassium-restricted diet. High-potency potassium products should only be used under the advice and supervision of a healthcare professional. Minor gastrointestinal (GI) complaints have been reported by those taking significant amounts of potassium citrate. These may be reduced by taking this product with food or reducing the dose. If GI complaints persist, discontinue the use of this product. Long-term use can result in metabolic alkalosis. Renal insufficiency and certain potassium-sparing drugs will increase the risk for elevated blood potassium, which can be dangerous. Patients should not use potassium-rich salt substitutes without the advice of their healthcare professional while taking this or any high-potency potassium product.

For Adult Use Only

KEEP OUT OF REACH OF CHILDREN

Store in a cool, dry area.

Sealed with an imprinted safety seal for your protection.
